Workshop : “Entrepreneurship and innovation as career opportunity”

Govindrao Wanjari college of Engineering & Technology has organized two days workshop on Entrepreneurship and innovation as career opportunity on 9th November, 2022 & 10th November, 2022. The workshop was inaugurated by Dr. Salim Chavan, Principal GW CET.

The speaker for the workshop were Dr Deepa choudhari, Dr Payal Pashine and Dr. Samrudhi Churad who had conducted workshop on Entrepreneurship and innovation as career opportunity where basic focus was on students to respond effectively to environmental, social and economic challenges wherein requires young people to be creative, innovative, enterprising and adaptable, with the motivation, confidence and skills to use critical and creative thinking purposefully. Explicit attention to and application of thinking skills enables students to develop an increasingly sophisticated understanding of the processes they can employ whenever they encounter both the familiar and unfamiliar, to break ineffective habits and build on successful ones, building a capacity to manage their thinking, which was explained by analyzing case study and group activity.

In this workshop 100 students had participated from various streams of Engineering and MBA.

The topics which were included in the workshop were:

1. Entrepreneurial Skills & Knowledge
2. Critical and creative thinking skills

PRINCIPAL
