Session 2021-22

Date: 14/07/2021

Report

As per the office order Department of Computer Science and Engineering followed Mentor Mentee scheme for the academic year 2021-22. By separating the faculties in appropriate ratio with the students department assigned the responsibilities to mentor for the further program.

During the academic year as per the norms mentor mentee scheme was implemented successfully, in which various faculties of department helped their mentee student to solve the problems and look after the overall development of all allotted student. Students are encouraged to participate in various extra curriculum activities.

By conducting mentor mentee session, students are expressed their problems related to academic and nonacademic problems with their mentee. Respective mentors help them to overcome with solutions.

During the session Mentor mentee meeting is conducted by online mode, interaction is done with the student one by one and in a group as well.

List of documents are here attached with report related to mentor mentee scheme:-
