Programme : Industrial Visit ( Civil Department)

## Govindrao Wanjari College of Engineering & Technology

Faculties of GW CET along with Site Engineer Mr Khan at Madan Ratan City.

STUDENTS of Govindrao Wanjari College of Engineering & Technology attended site visit in on-line mode at Madan Ratan City. Due to the pandemic, students of Civil Engineering of Govindrao Wanjari College of Engineering & Technology 2nd and 3rd year attended site visit in on-line mode. This on-line meeting of site visit was conducted at Madan Ratan City. By this on-line visit, students were given maximum knowledge of RCC structure and overall building construction. It was an informative and knowledgeable experience for the students. This helped them to get practical experience of industries' knowledge that they acquire through their curriculum. The Director of RDL Construction Rajiv Lillhare and Asim Khan (Senior Engineer) guided the students about Design of Foundations, STTP, explaining types of brick work used in a single brick wall and also, he explained about Fire Safety Alarm used in Madan Ratan City.
