### **2.5.2 Mechanism to deal with examination related grievances is transparent, time-bound and efficient**

Examination related grievances are handled by the mentor to make it time bound, transparent and efficient. All the examinations are conducted as per academic calendar. The Institute follows open evaluation system where the examination answer copies are shown to students, the examination marks and experimental grades are displayed on notice boards and the same information is informed to the parents. If the students have any queries then they approach the mentor, the mentor tries to find the solution. The grievances of the students with reference to assessment are made clear by showing his/her performance in the answer sheet. The answer sheet of such student is assessed by the faculty once again in the presence of the student. Any corrections in the total of marks or assessment of answer books as identified by students are immediately done by the faculty members. If the matter still remains unsolved, students and mentor can always approach Head of the Department who solves the matter in consultation with higher authorities if required, the internal marks and grades are to be submitted on-line within a stipulated time frame. Thus, the process of sorting out grievance becomes time-bound and transparent.

If the students faced problems in university examination form submission, issue of admission card or any discrepancy in university result, then the students can approach to mentor and the mentor hand over same matter to the faculty- in-charge of university examination, who concern with Head of the Department & Principal and the matter is reported to Dr. Babasaheb Ambedkar Technological University, Lonare (For First Year Students) and Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur (For Higher Sem Students) through concerned clerk of the college who tries to get the solution. With reference to evaluation, if the student scores less mark than expected, he/she can apply for revaluation of his/her answer script after paying the prescribed fee. University provides the photocopy of answer sheets to students regarding any grievances with reference to evaluation. Student can apply for revaluation if he/she feels that evaluation is not correct.

**B) ACADEMIC CALENDAR FOR THE COURSES CONDUCTED AS PER ANNUAL PATTERN FOR SESSION 2021-22.**

<b>1. Terms &amp; Vacation</b>	
First Term	02.08.2021 to 30.10.2021
Dwali Holidays	31.10.2021 to 10.11.2021
Second Term	11.11.2021 to 07.05.2022
Summer Vacation	09.05.2022 to 22.06.2022
<b>2. Admissions*</b>	
a) Last date of Admission.	To be notified separately
b) Last date for Admission with prior Permission of the Vice-Chancellor.	To be notified separately
<b>3. Last date of submission of Enrolment forms to the university</b>	Within fifteen days from the last notified date of Admission.
<b>5. Examination</b>	
<b>Winter Examinations.</b>	
1. Commencement of Exam.	15 <sup>th</sup> November 2021
2. Last date for receipt of exams. forms	
a) Regular Students	30 <sup>th</sup> October 2021
b) External Students	15 <sup>th</sup> September 2021
c) Old Ex-Students	15 <sup>th</sup> September 2021
d) Ex-Students of immediately previous examination	Within 15 days from the date of declaration of the result of summer exam
<b>Summer Exams.</b>	
1. Commencement of Exams.	9 <sup>th</sup> May 2022
2. Last date for receipt of exams. forms	
a) Regular Students	15 <sup>th</sup> March 2022
b) Old Ex-Students	15 <sup>th</sup> October 2021
c) External Students	15 <sup>th</sup> October 2021
d) Ex-Students of immediately previous exam.	Within 15 days from the date of declaration of the result of winter exam
<b>5. Declaration of Results</b>	As per governing provisions of the Act.
<b>C) Convocation Winter 2020 &amp; Summer 2021</b>	December 2021

**Special Instructions :**

- The Principals/Heads of the institutions should communicate the list of students admitted in their colleges/ institutions to the university within 15 days from the last date of admission as notified by the university.
- Students admitted after the last date as specified above shall not be considered for enrolment in the University and therefore, shall not be permitted to appear at the university examinations.
- All government & other holidays are calculated on the basis of last year's statistics. It is likely to be same except small variations after the declaration by the Government/authorities. The schedule of such holidays will be separately notified by the university at the beginning of Calendar Year.
- Theory and Practical examinations may be held on Sunday with prior permission and intimation.
- M. Card (Machine Card) must be sent by the Principal/University Heads of the Department, within 30 days from the last date of admission as notified by the university, strictly in MS Excel software.
- Due to pandemic situation, majority of teaching activities are taking place in online mode. Hence, Sundays may be treated as teaching days.
- It is necessary for the Principals/Heads of the Department to notify the number of actual teaching days conducted during the academic session.
- All efforts should be made to achieve more than 180 teaching days in Annual Pattern and 90 days per Semester in Semester Pattern.
- This schedule is applicable only for the entry level admissions to various courses excluding the courses where admissions are governed by contracted admission process.
- Therefore, the last date of admissions for all courses where continued admission process is adopted shall be notified separately.
- The Last Date of examination forms for CAP based admission will be 15 days from the last date of admissions.
- In case, Admissions governed by Conditional Eligibility the last date for submission of examinations form shall be within fifteen days after declaration of its qualifying examinations provided such students should have been admitted provisionally for its next higher academic session as per Direction No. 21 of 2008 and 6 of 2010.
- Special Note:**  
Owing to the Pandemic situation, there is a possibility that this Academic Calendar may require changes during its course of implementation in accordance with the norms and guidelines issued by the Government and other regulating bodies. In view of this, the Academic Council authorizes Hon'ble Vice-Chancellor to make necessary amendments and modifications in this Academic Calendar.

By Order of the Hon'ble Vice-Chancellor

  
(Dr. Anil Hirdhan)  
Registrar

# **MENTOR MENTEE SCHEME**

## **MENTORING SYSTEM**

Govindrao Wanjari College of Engineering & Technology, Nagpur implementing the mentor-mentee scheme in which the HEI allotted the list of approved mentor to each department and the Departmental head has been assigned 10 to 15 students as mentees each faculty as mentor. A mentor mentee scheme files including the details of mentee like personal information, academic performance (attendance and sessional examination results), details of any achievements, extra-curricular activities, project work, college seminars etc..

In mentor-mentee scheme, periodically the mentor monitors the performance and record of all activities of mentees and guidance the mentees regarding the lagging issues. Any personal problem of the mentee is also discussed and the mentee is directed to professional counselor who was appointed by the college. This mentoring system in the college is very effective for the development of the mentees.

### **Outcomes of Mentoring System:**

1. In mentor mentee scheme, mentor identifying the weak areas of mentees and working out remedies helping students, taking their complete care and establishing rapport between teacher, students and parents.
2. Mentor-mentee scheme providing emotional support to students on individual basis and helping students to overcome the home sickness.
3. The involvement of students in the academics has been increased, like class work, attendance, paper presentations, presentation of models in exhibitions, participation in cultural activities etc.
4. As the limited number of mentees allocated to each of the mentor, the personal interaction has been taken up on regular basis.
